Semi-finalists announced

**June 2024**  
Finalists pitch to expert panel

Imperial College Business School's fifth edition of the world-leading Climate Investment Challenge

## Who are we looking for?

- Postgraduate students from around the world eager to pitch creative financial solutions to address the climate crisis
- Teams of 2-6 students with at least one postgraduate student (MSc, MBA, PhD etc.)

## Previous Winners:

- Restoring Peatlands via Blended Finance Agricultural Loans
- Micro-Financing Electricity Connection Chargers
- Land-Value Capture (LVC) Financing of Adaption Projects

## Cash Prizes:

- Last year's prizes ranged from £5,000-£10,000 each
- Specific prize categories catering to several financial instruments

## Post-competition support:

- Possibility for winners to develop their climate solution via Imperial accelerator programmes

## Network:

- Opportunity to meet, exchange, and network with climate finance leaders, scholars and fellow students

## CORPORATE SPONSORS

Applications opening on January 8th at:
