

Inha University is one of the most prestigious universities in Korea, and has been continually ranked as a top 10 college nationwide. Since its foundation as an engineering institute in 1954, the university has sustained a strong tradition of academic integrity and gained a reputation for excellent educational programs and research in the fields of science and technology, and across a broader academic spectrum including IT, social sciences, business, global logistics, education, law, fine arts, humanities and medicine.

With nearly 3 million population, Incheon is one of the largest cities in Korea. A gateway to northeast Asia with an international airport and an international sea port in its hand, Incheon is located on the west coast of the Korean peninsula abutting the Yellow Sea. Incheon is an intensely dynamic city bursting with rapid cultural and economic change, and it is now transforming into a global business hub centered around the high tech and futuristic Songdo New Town, which is designated to become a center of diverse international businesses and trade.

WHY SHOULD YOU PARTICIPATE IN THE HA SUMMER SCHOOL

This is an exciting opportunity to be part of one of the top universities in Korea and earn credits towards a degree at your home university in only three weeks.

A variety of unique Korea-related courses are offered to participating students.

Students will have access to the supporting staff in the dormitory and the International Center as well as academic and other counseling services.

Students will have lots of time to experience Incheon metropolitan city, which is one of the most dynamic and beautiful cities in Korea.

PROGRAM OVERVIEW

Since 2004, Inha University annually offers a summer school program as a part of its goal to enhance global education. Since then, the program has continued to develop and has been enriched with more unique and diverse activities, while attracting more participants every year.

This 3 week short-term, intensive program mainly consists of classroom lectures, visits to corporate sites and field trips to cultural and historic places. Through the coursework, international students will have opportunities to better understand the dynamic aspects of Korean society in the past, present and future. At the end of the program, participants will receive academic credits and certificates of completion.

In addition, students will have many opportunities to meet and interact with Korean assistant students during the program and they will also be able to share their experiences and views with each other through presentations during their classes.

In addition to learning about the Korean language and culture, students will also be able to take many other interesting courses such as Introduction to Korean Cinema, Introduction to K-Pop Drama & its Multi-Cultural Aspects, Business Communication in English and Korean Culture through Korean Dance etc. These courses will cover theories at the introductory level, present diverse aspects in the chosen fields and include site visits to various off-campus places. The fields and scope of the courses will continue to expand reflecting the interest and needs of students and the global community.
