

**International Summer University 2022 "In Transition to a Pure Green Energy Economy"
at Hochschule Darmstadt**

Dear international partners, dear colleagues,

I hope you are doing well.

Although it is cold and a bit snowy here in Darmstadt, I am already thinking about summer ;-)
Please find attached the module description and poster for our [International Summer University 2022](#) on the topic of **"In Transition to a Pure Green Energy Economy."** The program takes place from June 10 (arrival day) until July 02 (departure day), with four virtual sessions happening on May 23, May 30, June 6 and June 8. As you may know from our past summer courses, the ISU consists of an academic module (6 ECTS), a German language course (3 ECTS) and several cultural activities (day trips to Heidelberg and the Rhine River Valley, riding a solar draisine, hiking, retro-games-night, intercultural training, and many more). As an ISU 2022, highlight we will offer a **4-day academic excursion to Germany's capital city Berlin.**

The regular program fee is 1990 Euro, however, we grant a **tuition waiver** to students from our partner universities. This means, the **program fee for your students is only 900 Euro.**
The program fee includes:

- Accommodation for the duration of the program in a hotel (single room)
- Breakfast at the hotel
- Academic module (including lecture material and the academic excursion to Berlin)
- German language course (lecture materials)
- All scheduled cultural activities and day trips
- Ticket for the public transportation system for the city of Darmstadt
- Health-, accident- and liability insurance

I am offering a couple of info sessions to talk about the program:

Tuesday, Feb 22 at 11am and 7pm (Central European Time)

Friday, Mar 11 at 7am and 11pm (Central European Time)

Zoom Link: <https://h-da-de.zoom.us/j/92401234788>

I would be very happy if you share the program information with interested students and also staff, so that they can forward it to their students. If they have any questions, they can reach me and my student assistants via our email address: isu.int@h-da.de Or they can follow our

Instagram channel <https://www.instagram.com/isudarmstadt/> and send us a message on there.

I need your nominations until **April 10** (the sooner the better). Please use the nomination sheet that I also attached to this email and fill in the names of your students who want to participate and also some information on what to do about the transcript of records.

If you have any questions, feel free to send us an email. My team and I are happy to help J

I look forward to hopefully having your students with us here in Darmstadt in the summer.

Best regards

Jessica
