Testimonials

"Inha University not only welcomed me in a great way and offered many interesting classes but made me discover Korea and its culture, especially by the buddy program and various trips and activities. The international office always answered to my questions very quickly and the ISL (International Student. Lounge) students were diligent. I found the facilities great and the campus pleasant. Overall, studying at Inha went without any issues and it was a great opportunity for me to discover a new culture and learn with a new perspective."

- Hugo Michard,
a student from ISEP, France

Testimonials

"I had a really good academic and life experience at Inha University. Indeed, it was my first trip to Asia, and from my arrival to my departure, I have always been supported by the International office who did a great job to make my experience in Korea unforgettable. Moreover, the quality of the study was really good and the teachers were truly committed for students.

I would strongly recommend Inha University in Korea for the student life and the quality of its academic programs. Thanks for making my experience in Korea so special!"

- Quentin Busson
a double degree student from
KEDGE Business School, France

Testimonials

"Studying in Korea was very nice and full with unforgettable moments. I would strongly recommend you studying at Inha University in Korea, because opportunities created for students are plenty and students study very hard. Professors are highly qualified and all campus facilities including dormitories are in good condition. I will never forget my experience at Inha."

**- Fazliddin Anvarov,
a double degree student
from Inha University in Tashkent,
Uzbekistan**

Testimonials

"I have been at Inha University since the fall semester of 2017 as an exchange student. It was very nice to stay at Inha. I would like to strongly recommend studying at Inha University in Korea, because I really like the environment of the campus. In class, we discuss and ask questions freely. After class, the international office organizes a lot of student activities and parties for students to participate. It was so exciting. I will hold my memory of Inha and Korea forever."

- Zheng Tian,
an exchange student from
Chang'an University, China

2018 Inha Summer School

A variety of field trips and culture programs available!

All participants are provided with an opportunity to join interesting field trip such as visit to Ganghwa Island and Nanta Show performance.

Testimonials

"All in all, my experience at Inha Summer School has been one I will never forget. I have met and made friends with more people from different countries and backgrounds than I expected and have truly enjoyed every minute of my time here. I would definitely recommend this program to anyone!"

- Anna Bridges, a student from the University of Cumbria, the U. K.

"The Summer School was a great experience for me. I met a lot of new people from all over the world. It gave me a broader view about the cultural understanding and inter youth communication. Joining this program is something I will never regret. I will miss Inha University and Korea."

- Al Marifatul Ala, a student from Universitas Indonesia, Indonesia
