- How to get to the SeoulTech yourself**
  - If you wish to move to SeoulTech by taking public transportation such as airport limousine bus (Bus Number: 6100 Jungnang/Surak), it will cost KRW16,000 and take about 80 minutes.

## 7. Visa

- Please upload your copy of Visa until **10 January 2020**
  - Apply for a student visa (D-2)
    - A student visa (D-2) is required to study in Korea if a student is not of Korean nationality. In most cases, exchange students can acquire their D-2 visa easily when they present their Certificates of Admission issued by the host university to the relevant passport officials in their home country.
    - Please contact your nearest Korean Embassy or consulate for more detailed information on the visa application process.
    - Be aware that students cannot change their visitor visa to a student visa in Korea. You should apply for a student visa (D-2).

## 8. Insurance

- Insurance is Mandatory !
  - Non-local students are required to have suitable and adequate insurance for the entire period of their study at SeoulTech. The insurance should cover but not limited to travel, personal accidents, medical expenses (accident and non-accident), hospitalization and emergency evacuation/repatriation.
  - If you don't submit the insurance waiver form by **10 January 2020**, you will be automatically enrolled into SeoulTech insurance plan.
  - It provides relatively basic coverage such as personal accident and medical benefits. The SeoulTech insurance plan begins on the first day of your studying period.
  - Payment should be done on the start date of the semester. The cost will be about USD 90 per semester.
    - Insurance terms, conditions and premium of the insurance plan are subject to annual review without prior notice.
- Insurance Wavier Form (Attachment)
  - If you have private insurance coverage comparable to the university plan (Your need to make sure your

insurance covers you outside the home country), then you are eligible to request a waiver of the student insurance. Please submit a certificate of insurance **10 January 2020** through <http://for-a.seoultech.ac.kr/exchange> Otherwise you will be automatically enrolled in the SeoulTech health insurance plan.

## 9. Costs of living in Korea

- Living expenses for an average student in Korea are estimated at \$300-700 per month. However, expenses vary depending on your own spending habits and your living situation.
