## Regarding Grade Point Average (GPA)

Kyushu University uses Grade Point Average (GPA) on a 4.0 scale for academic evaluation. This scheme, as defined in the table below, is a credit-weighted average of grading points. The minimum requirement of all applicants (for School, Graduate School, JTW and JLCC) is a GPA 3.2.

| Grade Point | Assessment | Percentile Scale |
|-------------|------------|------------------|
| 4           | Excellent  | 90 - 100         |
| 3           | Good       | 80 - 89          |
| 2           | Fair       | 70 - 79          |
| 1           | Pass       | 60 - 69          |
| 0           | Fail       | 0 - 59           |

If academic achievements are rated using a different system, applicants are requested to submit supplemental documentation which shows the scores converted into GPA on a 4.0 scale and explain how to calculate them, along with official transcript. This supplemental documentation is necessary to assess whether applicants satisfy the minimum requirement as exchange students.

| Miscellaneous Information                        |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |  |
|--------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--|
| Support Service for<br>International<br>Students | Kyushu University offers various kind of support for international students, which is beneficial for new incoming students as well.  Regarding Visa/Certificate of Eligibility for Status of Residence (CoE), the relevant information, how to apply for, will be provided to successful applicants.  https://www.isc.kyushu-u.ac.jp/intlweb/en/student/visa  *Japanese immigration law stipulates that international students with "student" visa have to spend at least ten hours in class every week. |  |
| Housing                                          | On campus dormitories are available for exchange students. https://www.isc.kyushu-u.ac.jp/intlweb/en/student/housing  *If applicants' enrollment period is until September/March, they are required to leave oncampus accommodation before the end of August/February due to the preparation of students coming next semester. Please check the website above for further information.                                                                                                                   |  |
| Estimated Cost of Living per Month               | Housing and utilities: 15,000 - 50,000 yen Food: 30,000 yen (lunch at the school cafeteria runs about 400 yen, and students typically prepare their own breakfast and dinner at dormitories) Local transportation: 10,000 yen (individual spending habits may vary) Books and supplies: 5,000 yen (instructors typically provide reading materials in class) Health insurance: 2,000 yen Personal expenses: 20,000 yen (individual spending habits may vary)                                             |  |
| Health Insurance                                 | All international students are required to subscribe the National Health Insurance (NHI) Plan during the study period. By paying monthly premiums, subscribers are required to cover only 30% of their medical expenses.  *We do recommend, however, that an exchange student considers buying travel insurance for emergency-related evacuation and repatriation costs, which NHI does not cover.                                                                                                       |  |
