Accommodation, Cost of Living and Student Support

Accommodation	Various possibilities for student housing are available (only off-campus). Please note that the students are responsible for their accommodation contracts. For further information see: Student Accommodation
Estimated Cost of Living	Information on the expected cost of living you can find here .
Student Support	Support and Social Events will be organized by ESN (Erasmus Student Network). In Buddy Program local student assigned to each incoming student.

Scholarship and SEMP/Erasmus

SEMP/Erasmus+ Funds	Students of our SEMP/Erasmus+ partner universities receive SEMP funds during their stay at the School of Engineering (SoE). The amount of the grant is either CHF 2'000 or CHF 2'300 per semester, depending on the country of the home institution.
SEMP (ERASMUS+) ID Code	CH WINTERT03
Scholarship for Incoming Students at ZHAW School of Engineering	Incoming Exchange Students can apply for the "Scholarship for Incoming Students at ZHAW School of Engineering". This Scholarship is based on academic merit and the financial need of the student. <u>Amount of the scholarship:</u> for students from within Europe: max. CHF 2'000 (excl. intra-Swiss students and students who are granted by ERASMUS+ at their home university) for students from outside Europe: max. CHF 3'000 Further information will be provided together with the letter of acceptance.

Visa and Health Insurance

Visa / Residence Permit	Non-EU citizens need a student visa and must apply early (immediately after receiving their letter of acceptance). Students from Australia, Japan, New Zealand, Malaysia, Singapore, and the United Kingdom do not need a visa, but they must apply for an "Aufenthaltsbewilligung" (residence permit) through the SoE International Office. All exchange students must apply for a residence permit (L-Permit) upon arrival. Proof of financial solvency (CHF 1'750 per month) is required for both visa and residence permit applications. After the application process has been finalized, the International Office will provide further information on how to apply for a visa/residence permit. Further information on visa requirements and residence permits please read here .
Health Insurance	Basic health insurance is mandatory by law in Switzerland and can be obtained after the student's arrival. Detailed information will be provided during Orientation Week.

	<p>Non-EU residents must purchase Swiss health insurance (as low as CHF 61 per month); international health insurance obtained in the student's home country is usually not sufficient.</p> <p>EU residents with EHIC cards are exempt from this obligation. They need to submit a copy of their card, which must be valid for their entire stay in Switzerland.</p> <p>Further Information please read here.</p>
--	---

Disclosure of information

Note that student information will be disclosed to the other institution as far as required for the administration process.

**Ready for an exchange semester in Switzerland?
We are looking forward to your nomination!**
